## 2. Details (FALIA recommends trains on this page)

### 2-1. Airport Narita (Sobu/Yokosuka Line direct train/through service)

Although the name of the line changes at Tokyo Station, most trains are operated as through service from Narita Airport to Higashi-Totsuka and further stations.

**Note:** Bad weather, accidents and other reasons may cause train delay. In that case, direct train/through service from Narita Airport to Higashi-Totsuka will be cancelled and passengers have to change trains at Tokyo.
