

# How I wrote!

by the first prize winner of 2018

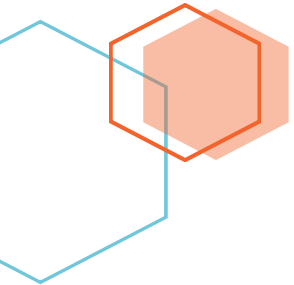

[Essay Title]

“ An analysis of life insurance demand for 25 Asian countries and some policy recommendations for introducing Japanese Life Insurance Company in Bangladesh”

## [How I wrote!]

- 1. Dynamic Smart Literature Review
- 2. Searching Relevant Data
- 3. Analyzing Data
- 4. Start writing with results part, then go for other parts and finally introduction.
- 5. Spend Around 10/14 days! @20 Pages-5000 words?

## [Topic-Relate it to Life Insurance]

- Go to FALIA web, Download tips for essay writing.
  - But, best topic can be from your own country context.
  - I used Panel data as well as VAR model but it is not necessary. Analytical and informative writing is preferable.
  - You have the new idea, express it and win!
