Online Seminar
“Measures for the Aging Society” Course (July 6 – 8, 2022)

Dear Sir:

We are planning to hold “Measures for the Aging Society” Course to be held online from July 6 through 8, 2022 with the theme of “The Problem Confronting the Insurance Company in the Aging Society”. The number of participants we would be able to accept in this seminar is limited to 25.

We now take pleasure in inviting any appropriate person representing your esteemed institution to participate in this seminar. It is necessary for your representative to satisfy the qualifications for admission. General requirements for application and other important items are stated in the “Guide to the Year 2022 – Measures for the Aging Society Course” and so please refer to them without fail in applying.

While every effort will be made to ensure that the course will take place as scheduled, we, FALIA, reserve the right to modify or cancel in whole or in part any of the events due to the reason beyond our control.

The procedure for application is as follows:

- 1) First, please send us “Application Form” with the necessary information **by no later than May 13.**
Kindly note that insufficient information of applicant and any application arriving after this deadline will not be accepted. Also, we cannot accept an individual application without recommendation by responsible person at your institution.
- 2) Next, based upon the information above and if necessary, after the process of screening, we will decide participants and proceed to the emailing of the formal acceptance letter.
- 3) Once our acceptance letter is sent out after the deadline, communication thereafter will be conducted directly between FALIA and the applicant.

We look forward to hearing from you soon.

Sincerely yours,

Masayuki Tanaka
Managing Director, FALIA
