

## **Alumni Get-together in Sri Lanka**

We held the Alumni Get-together at the Sri Lanka Foundation Institute in Colombo on October 17, 2017.

More than 70 Sri Lankan alumni of FALIA seminars joined this event which was a great success. It was also attended by Mr. Takashi Matsumoto, former President of FALIA and current President of Federation of National Public Service Personnel Mutual Aid Associations, Mr. Toru Nagashima, Managing Director of FALIA and Mr. Yoshitaka Masai, Director of FALIA.

At this wonderful occasion, an honorable speech was delivered by Mrs. Indrani Sugathadasa, Chairperson of the Insurance Board of Sri Lanka (IBSL) and a commemorative plaque was presented to the first Grand Master of FALIA Alumni in Sri Lanka, Mr. Rajkumar Renganathan, Managing Director and CEO of Ceylinco Life Insurance Ltd.

We invited the first participant from Sri Lanka to Japan in 1986 and since then the total number of participants has reached to 250.

We hope to contribute continuously to the life insurance industry in Sri Lanka.
