

Alumni Gathering in Indonesia

An alumni gathering was held at Prudential Room of AAJI - Asosiasi Asuransi Jiwa Indonesia (Indonesia Life Insurance Association) in Jakarta on October 11, 2019.

We welcomed 22 Indonesian alumni of FALIA seminars in this event, and the party was a great success thanks to the wonderful arrangement directed by the alumni at AAJI. Mr. Yoshihisa Ishii, Director of FALIA and Mr. Ryoichi Maemura, Deputy General Manager of Seminars Dept. of FALIA also attended.

It was a good occasion to share the unforgettable memories and the current information with FALIA officers and one another.

The first participant was from Indonesia and FALIA invitational seminar started with his participation in 1962. As of the end of September 2019, 442 officers had joined the seminars.

We hope to invite more participants from Indonesia and hold an overseas seminar again jointly with AAJI in the near future.
